### GPS CAMPS

A leading provider of youth camps & clinics in NH and is a department of Global Premier Soccer— one of the largest youth soccer organizations on the east coast of North America, providing a range of high quality programs that cater to players of all ages and abilities. Our growing reputation as a key proponent of teaching soccer the “right” way has elevated ourselves above countless other youth soccer build and programs.

Summer Camps are a fundamental tool in our development plan as they are as beneficial to first time players as much as they are to College players. We aim to provide a range of programming suitable for all levels of playing ability during the vacation periods in an enjoyable yet challenging environment.

## WE AIM TO

- Our emphasis is on “theme” training (Defending, attacking, possession, positional play, re-starts)
- GPS NH take Pride in offering camps that provide a fun, safe and exciting environment for soccer players to learn new skills and to make new friends!

### Daily Activities

- Each day of camp will have a theme: such as shooting, dribbling, 1v1’s or defending and players will hone these skills through interactive games and daily challenges (with prizes!)
- Players will then show off these skills during the “World Cup” which takes place on the final day of camp, where teams will play against each other in skill challenges and scrimmages!
